BOARD SKILLS MATRIX

1. PURPOSE

Pengana Capital Group Limited (ASX: PCG) is an ASX listed investment company.

PCG places a high standard on corporate governance and adopts best practice as set out in the ASX Corporate Governance Principles and Recommendations (Corporate Governance Principles).

2. BOARD PERFORMANCE

The Board has adopted a Board Skills Matrix that sets out the mix of skills and diversity that the Board currently has or is looking to achieve. The Board will regularly assess the independence of each non-executive director.

The Board Skills Matrix sets out the skills and experience which, in the opinion of the Directors of PCG, are required for the proper functioning of the Board of PCG.

To ensure that the current Directors provide the skills and experience required by the Board Skills Matrix, the Board will assess each Director's skills and experience and the current Directors as a group, against the Board Skills Matrix from time to time. It is not a requirement that each Director should present all of the skills and experience listed in the Board Skills Matrix, but the Board collectively should present all of the skills and experience listed in the Board Skills Matrix.

The Skills Matrix is the primary tool when considering professional development for Directors in order for Directors to maintain the skills and knowledge needed to perform their role effectively or when gaps are identified that are not expected to be addressed in the short term by new appointments.

The Board will take account of the Board Skills Matrix and gaps or weaknesses in the Board Skills Matrix when applied to the existing Directors, when filling any Board vacancies.

3. REVIEW AND ASSESSEMENT

The policy will be reviewed and updated from time to time to ensure that it remains relevant, current and compliant with all applicable laws, and guidance notes.

4. DISCLOSURE

This policy, and a summary of the Board Skills Matrix will be made available in the Company's website.
