

TermPlus is an Australian unit trust designed to operate as an online fixed term account for a broad range of Australian investors who are looking to put their money to work, and earn monthly income from their savings.

Our Term Accounts are high-yield fixed-term investment accounts that deliver returns through unparalleled access to global private credit markets.

Choose between receiving monthly income payments directly to your bank account, or reinvesting your monthly income to compound your returns.

TermPlus is powered and delivered in association with recognised and established industry partners Pengana Capital Group, and Mercer.
